## Product's highlights & user's benefits

Wraparound lens provides extra wide unobstructed field of vision.

Soft foam brow guard fills the gap between your brow and lens protecting eyes from debris falling from above.

Flame Retardant EVA Closed cell foam is long lasting, resisting body oil and sweat.

Soft rubber nose bridge with flexible "fingers" conform to the shape of your nose for comfort and to prevent slipping.

SuperCoat™ long lasting washable coating provides anti-fog, anti-scratch and anti-static protection.
