## 950-951 Knee RX Series

Kneeling Mat

Available Colors: Black

**NOTRAX**  
FLOOR MATTING

### Specialty

The Knee RX Kneeling Mat was designed for extreme kneeling applications such as gravel, asphalt, concrete, tile, and wood flooring, providing ergonomic support by reducing trauma, stress and strain on the knees and lower back. Perfect for tool and maintenance carts, or for individual workstations, Knee RX is made from a nitrile/PVC foam blend offering resistance to oils and greases, and is a full 1" thick for the ultimate in comfort. The 951 HD version offers a durable heavy-duty rubber bottom surface for long-lasting wear in the roughest environments.

Test	Test Description	*Results
25% Compression Resistance (psi)	ASTM D1056	6.0 - 12.0
50% Compression Set (%)	ASTM D1056	25 max.
Water Absorption (lb/ft <sup>2</sup> )	ASTM D1667	0.1 max.
Tensile Strength (psi)	ASTM D412	90 min.
Elongation (%)	ASTM D412	100 min.
Flammability FMVSS302	0 Burn Rate	Pass

\*All testing of NoTrax® floor matting has been performed by an independent testing laboratory.

- Available in standard (950) or heavy-duty (951 HD)
- Nitrile/PVC blend construction: highly resistant to industrial chemicals, oils, and greases
- Laminated rubber bottom surface on HD version for rough environments
- Overall thickness: 1"
- Self extinguishing material
- Non-conductive, Silicone free material
- Stock Sizes: 12" x 22"

Anti-Fatigue
