### Description

Best Original Nitty Gritty® was the industry's first wrinkle-finished, Natural Rubber-coated glove. It remains the most cut resistant comfortable, premium-value glove of its class, truly a cut above the rest. It is an excellent, cost-effective replacement for leather and ordinary rubber-coated gloves. The Original Nitty Gritty is launderable and features a soft, cotton flannel liner which provides comfort and flexibility. Its multi-dipped, premium Natural Rubber coating gives you superior cut, abrasion, snag and puncture resistance and extended wear. The outstanding wet and dry grip provided by our exclusive, induced self wrinkle finish enhances safety and ease of handling. The Original Nitty Gritty is available in a variety of styles, including smooth-finished glaziers and insulated and Kevlar® lined style 68NFW

. Launder at 40°C (104°F) using a neutral detergent.
