The Squids 5540 Barcode Scanner Holster with Belt Loop prevents costly drops or losses by keeping barcode scanners securely stored and conveniently accessible. With an easy-to-attach belt loop, the holster slides over and secures around belts without having to remove them. Unlike standard belt clips, the loop design also makes it possible to securely attach scanners to carts, equipment or fixtures. Built with abrasion-resistant ripstop polyester for work in the harshest environments.

For quick access to more than just scanners, this belt loop holster also features 2 pockets and 2 elastic loops for markers, box cutters and other small hand tools. The contoured ergonomic design fits naturally along the waist for comfortable all-day wear.

This barcode scanner holder is available in 2 sizes to fit a variety of barcode scanners, QR scanners, UPC scanners, inventory scanners and more. The small holster fits scanners measuring 10+in L x 3in W x 2in H // 25.4+cm L x 7.6cm W x 5cm H. The large
