The Squids 5544 Barcode Scanner Holster with Belt Clip + Loops prevents costly drops or losses by keeping handle-less barcode scanners, mobile computers and even cell phones securely stored and conveniently accessible. Versatile attachment methods give wearers two options for securing the holster: 1) Use metal clip to quickly attach to belts, waistbands or harnesses; 2) Use vertical or horizontal loops to more securely thread belts or harnesses through the holster. Built with abrasion-resistant ripstop polyester for work in the harshest environments, plus a fleece lining for protection from scratches.

This barcode scanner holster is designed for convenient use with "candy bar" style scanners that do not have a handle. An elastic strap with hook & loop closure plus snug elastic slides ensure devices remain securely stored whether the holster is worn vertically or horizontally. Available in two sizes to fit most handle-less barcode scanners and phone-size mobile computers (with or without a protective case). The small holster fits smaller devices measuring 7in L x 3.5in W x 1in H // 17.8cm L x 8.8cm W x 2.5cm H. The
