

POCKET TAPES

Starrett developed three major product lines to meet their customer's needs with performance and quality.

High quality value priced tape measure built with high visibility impact resistant case. Manufactured with a positive lock to hold tape securely in place.

High quality tape measure built with impact resistant case and overmolding to provide an extended case life and improved grip. Features blade protection with positive lock to hold blade securely in place.

Heavy-duty impact resistant case with strong overmolding to provide a striking design, superior case life, and improved grip. Blade is 1.06" wide providing longer stand out and includes extreme blade protection coating for increased durability. Positive lock holds blade securely in place.
