WELD-COOL™

All WELD-RITE™ garments are made from premium side split cowhide or grain pigskin genuine leather.

- Steiner's WELD-COOL™ and The Original Weld-Cool® Style Weld-Cool Lite™ jacket designs feature underarm ventilation and riveted open seam upper back to increase air circulation and provide cool comfort in warm environments.
- Super durability with reinforced snaps and Kevlar® stitched seams
 - Slips on/off easily with satin lined shoulders and upper arm
 - Stand-up/roll down leather collar snaps securely in place to protect neck
 - Adjustable waist cinch straps for comfortable tapered fit
 - Inside patch pocket prevents spatter from puddling and burning thru pocketed items
 - Soap stone holder on each upper arm
 - Riveted at all stress points & seams
 - Non-reflective snaps along front closure, wrist and collar

The Original Weld-Cool® Style Weld-Cool Lite™

Leather Jackets featuring the WELD-COOL™ Design

LEATHER JACKETS

WELD-COOL™ side split cowhide jackets

- Naturally strong, WELD-RITE™ flexible leather resists cuts, sparks and slag
- Extremely durable yet economical compared to high temperature synthetic fabrics
- Available in 26" or 30" length

The Original Weld-Cool® Style

Weld-Cool Lite™ grain pigskin jackets

- 50% lighter in weight than split cowhide
- Superior flexibility and lightweight comfort allows freedom of movement
- Naturally breathable pigskin leather stays soft and flexible under wet conditions, drying to its original softness
- Smooth grain leather sheds sparks and spatter
- 30" length
