Tork® Industrial Cleaning Cloths save you time, effort and money. Compared to rags and rental cloths, you get a consistent clean cloth every time and a better, quicker cleaning result. So you have more time for production.

[www.tork.com.au](http://www.tork.com.au)

Clean faster and smarter: Spend 35%\* less time and 20%\* less effort to do the same job

Save money: Use 40% less solvent compared to rags

Work safer: Refill packs are more compact, lighter and more stable to store than a bag of rags

The fibre composition in the product is non-woven.

#### Food Contact

This product fulfils the legislative requirements for Food Contact materials, confirmed by external certification performed by ISEGA. The product is safe for wiping food contact surfaces and may also come occasionally into contact with foodstuffs for a short period of time.

This product is produced at Suameer mill, The Netherlands, and certified according to ISO 9001:2000, ISO 14001 and EMAS.
